Ardith Wallin
Keith Kerchal, Respite
Don Crumrine
Maxine Johnson

DISCHARGES:

Keith Kerchal

Flu season is quickly approaching. The Manor/Parkview Heights will offer flu shots to any residents who wants them. A permission form will need to be signed. The resident's will either be asked to sign them or permission forms will be mailed to their responsible parties to be signed and returned to the facility. Please watch your mail for these forms and return them at your earliest convenience. It would be our plan to begin to administer the vaccine in late October or early November. Flu shots will be offered to facility employees as well. Any additional doses will be offered to families or the public for a cost of \$15.00 which will cover the cost of the vaccine and administration supplies. If you would be interested in getting your flu shots here just contact me or any nurse on duty. Hope you all have a great fall, and as always if you have any concerns or questions, please contact me.

Respite Room:

Recently a grant was received from the Nebraska Respite Network to refurbish a room for respite care. Many families care for family members at home. On occasion they need additional support for a short period of time. Having the Respite Room gives us the opportunity to assist them. The room is bright and cheery and offers the option of in room dining and entertainment. The fee is inclusive of all board and room services, plus administration of medications. There is assistance available to cover a portion of this expense thru the Respite Network. We can offer services to anyone young or old! If you have need for this type of service please contact Bev Anderson, Social Services Director at 882-5333.

EMPLOYEE of the MONTH

July—Stephanie Whitlow
Van Driver/Supply Management

August—Linda Leibhart
Laundry

September—Velma Hinojosa
Dietary/Laundry/Housekeeping
