

Cindy Hudson and the Parkview-Heights Staff

Spring is in the air. Or is it? Seems like March can't decide if it will be nice or not. Easter will be here soon and so will the first signs of Spring, with crocus and tulips making an appearance.

January brought a new year which we hope will be full of fun times. Down came the Christmas decorations and up went snowflakes and snowmen. The preschoolers came to sing and Paulette played the piano. It was sort of quiet in January which was nice after all the activities in October, November and December.

Did you remember your sweetheart in February? Again we had a great time with the preschoolers. We played a marching game and they received prizes. We gave out Valentines and had cupcakes. We enjoyed a Valentines party with the staff and residents on the 12th. Cindy sang for us while we enjoyed cupcakes, punch and pretzels. Everyone got a valentine goody bag to take home.

March brought us some snow and then some more snow mixed with rain. Spring must be close? St. Patrick's Day was celebrated with a coffee in the morning and an Irish lunch. We had a contest to see who had the most green. Fay Story won for the men. Now the ladies outnumber the men by a lot, so it was harder to pick a winner. It came down to the staff voting and Colleen Dame won.

Deb Tidwell sang for us one afternoon and Lou Kraus' band performed. The preschoolers came by to help with Easter, and some of our residents helped decorate our theme tree for Easter. Several helped dye eggs to eat later.

April, May and June should find us outside planting our flower pots, taking walks and going on some drives to see the countryside. We'll also be celebrating Mother's Day and Father's Day.

Yes, we believe Spring is here at last! Have a great day from all of us at Parkview and the Heights.
