

## ACTIVITIES WITH PEGGY, SUSAN and SHERRY

**OCTOBER**—went well. Our elders helped stuff the goody bags for Halloween and we had a lot of little trick-or-treaters, which of course were so cute. Our Elders always enjoy when kids stop by. Our potluck for the month of October was elder's choice. We had homemade pizza provided by the kitchen and it was enjoyed by all who attended.

**NOVEMBER**—was also very good and went by oh so fast. We had a nice Veteran's day celebration with little gift for all of our Vets. Our potluck for November was wonderful and great for the season. We had a soup and pie meal which turned out great; we had soups and pies of all kinds. We enjoyed our Thanksgiving in many ways. Some of our elders were able to get out and be with their family members, and some of our elders stayed in and enjoyed our well cooked and delicious Thanksgiving meal. When we made it through Thanksgiving, we started our preparations for Christmas. We've been making an assortment of Christmas candy.

**DECEMBER**—We've continued our Christmas candy making which was not all a success, but the majority turned out great. I'm pleased to say our Holiday Meal was a great success, We had a very nice turn out. I was happy to see that some family members came to enjoy the meal with their loved ones and it seemed everyone was able to have a nice visit. Our annual Christmas party went very well. We had Saint Nicholas, Santa, Mrs. Clause, Rudolph, Elves, and other helpers passing out the gifts. Everyone enjoyed the goodies that we prepared and the music that was played by our own Paulette Shook. With the weather this holiday season, our Elders decided they would rather stay in than drive around to see the Christmas decorations - maybe next year.

We hope to see you all very soon in the New Year Until then if there are any questions or things that we can help with, please feel free to let us know. Happy New Year everyone!
